Earthentree - Bibbo the clown

Yesterday was for the babes, today for the 12+ month crew. [Earthentree Toys](#) are made by Channapatna artisans in India. The craft is over two centuries old and is made in Hale wood and color lacquered in a safe traditional technique. [BIBBO](#) the clown is handcrafted in wood and colored with natural vegetable dyes. Eight bright colored large [stackable](#) pieces aid children with counting, color, coordination and proportion. And [Earthentree](#) donates a percentage of the revenue to help the artisan community and collaborates to design innovative eco friendly toys.\$32 USD. Ships to Canada and U.S.
