"Near the forefront of the next generation of parenting tools...Red Tricycle is not your mother's parenting aide. Readers are razr-phone-toting, book-club-joining moms who at

5 Fun Things You Can Do to Make the World A Little Greener:

Happy Earth Day! Here are a few tips on fun, local ways you can make the world a little greener.

TRADE IN your toxin-laden bottle of nail polish and replace it with a fresh bottle of gently formulated Julep Nail Vernis (no formaldehyde, toluene or dibutyl phthalate). Schedule any manicure or pedicure appointment between now and April 21st at [Julep Nail Salon](#) and they will swap out your polish with purchase of any nail treatment (one per visit).

RECYCLE when you buy gently-used clothes, toys and books on sale this weekend at the massive [Greenwood Community Garage Sale](#) or the [Woodinville Friends of the Library Used Book Sale](#).

GIVE the gift of a beautiful, handcrafted wooden airplane, choo choo train or baby rattle, colored with natural vegetable dyes, from Kirkland toymaker [Earthentree](#).

BROWSE Cooler Picks, a selection of smart, eco-friendly shopping choices on everything from trash bags to handbags, light bulbs to lipstick found on the [Coolerchoices](#) website from Monroe-based mama Stashka Lepera.

ATTEND the [Green Power Baby Shower](#) on May 3 to find inspiration from [Dr. Alan Greene](#), pediatric expert and author of *Raising Baby Green: The Earth-Friendly Guide to Pregnancy, Childbirth, and Baby Care*. Also, stop by the expo to shop for local earth-friendly products and services.
